Both of regiment are: the bones were broken, and the bone Major Joseph R. Harrison, team where the wound was treated.

Wagon on Left Side of Road.

The cause of the accident was th fact that the farmer was driving the road. The motorcycle in company with two others was going south un der the viaduot. This passage is ex tremely dangerous from the fact that motor-cycle was upon it. The wagon was hugging the north side of the noald or on its left hand side. The evele rider turned quickly to avoid hitting the horse, and the hub of the wagon struck the left leg breaking it. Had the wagon been on the right er was not obtained, as he paused only a minute before driving on.
